

PHR/SPHR Certification Course SHRM Learning System Instructor: Kathy McClain

This intense, comprehensive course will cover all areas of human resource management. Using the 2008 SHRM Learning System, this course is designed as a prep course for the PHR or SPHR certification testing, but is also good for the person who wants an overall understanding of the HR function. Course includes 6 modules plus CD. Certificate of completion available. Co-sponsored by SEMO-HRA.
