

SIKESTON AREA CHAMBER OF COMMERCE MEMBERS!!!

Sikeston Public Schools would like to invite you to participate in the 2008 Red Ribbon Week celebration October 23-31. As many of you know, this is a national awareness campaign observed annually the last full week in October, and it is the kick off to a year of prevention in our schools and in our communities.

Each school in the Sikeston R-6 district has activities planned to raise awareness of the harmful effects of alcohol, tobacco, and other drug and violence related issues/concerns in the community. We would like to ask community members to help us in our campaign against drugs. Here are some examples of ways you can participate:

- Display red ribbons at your business**
- Provide red ribbons for employees to wear**
- Have a “Wear Red Day” for employees**
- Display a Red Ribbon Week message on your marquee**
- Run “Red Ribbon Week Specials”**
- Have something red as the “special of the week”**

These are just a few examples. Be creative and come up with your own ideas. **Most importantly..... Just do it!** It takes participation from the entire community to make this campaign a success.

Thank you for your support.
