SERVICES

As a member of SACC, we strive to promote your best interests and the interests of the business community in Sikeston and Miner. We take great satisfaction in assisting the economic development of our region. As such, we provide business specific referrals to only our members. One of the ways in which we do this is to publicize your business via our website www.sikeston.net, which currently receives in the area of 100,000 hits/per month. We promote the community by distributing our city map (6,000 in 2011), local phone books, demographic and community profiles, and extensive relocation information to visitors and residents alike. In addition, we maintain a calendar of events to market and present the business activities of our esteemed members. We also provide numerous services to protect our members, like fraudulent alerts, publicity emails in the form of the SACC Blast, newsworthy advertising options in our monthly newsletter, and current happenings at our luncheon and committee gatherings. SACC also serves as a liaison between our businesses and special projects in the area to sustain and nourish our vitality.
