

Plant Financial Analyst New Madrid Power Plant & Thomas Hill Power Plant

Associated Electric Cooperative Inc. (AECI) is owned by and provides wholesale power to six regional and 51 local electric cooperative systems in Missouri, northeast Oklahoma and southeast Iowa that serve more than 875,000 customers. AECI's mission is to provide an economical and reliable power supply and support services to its members with the vision of being the nation's lowest-cost wholesale power supplier. AECI is a Touchstone Energy Cooperative. Associated Electric Cooperative, Inc. is seeking applicants for a **Plant Financial Analyst** position at both the New Madrid Power Plant and the Thomas Hill Power Plant.

Under the direct supervision of the Controller the primary responsibilities of the Financial Analyst include the review of financial transactions to ensure proper accounting, preparation of various financial reports, budget vs. actual variance analysis and project cost tracking and analysis. The Financial Analyst is also responsible for assisting plant staff in the development of capital, operations, and maintenance budgets and forecasting plant financial performance.

Qualified applicants must possess a Bachelor of Science degree in Accounting or Finance or equivalent experience and a minimum of 3 years progressively responsible accounting experience. Candidates should have a concrete understanding of financial and cost accounting principles. Candidates must possess strong analytical, numerical and reasoning abilities; ability to effectively prioritize work schedule and manage multiple projects concurrently with minimal supervision; excellent written and verbal communication skills; and strong technical skills using Microsoft Office, particularly Microsoft Excel. Attention to detail and accuracy in all work results is a must.

This position is exempt without overtime. For confidential consideration, an application must be completed. To learn more about Associated, please visit our web site at www.aeci.org. At that site, under the job applicant section, you may complete an on-line application for the site(s) you are interested in. Up to four supporting documents may be uploaded to the application (i.e., cover letter, résumé, references, etc.). Applications must be received by **February 03, 2012**.
