## Energy Efficiency for Business

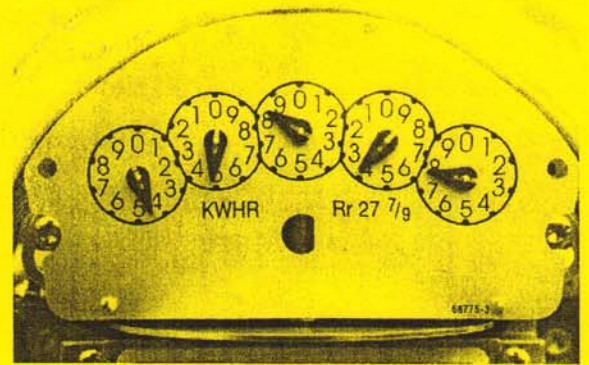

With energy costs on the rise, all business owners want to learn how to control them and reduce their monthly bill. This seminar will help you do just that.

The 9 am-12 n session is for small business owners like retail and service establishments plus small offices.

The 1:30-4:30p m session is for small manufacturers and larger business offices.

You will learn:

- Basic energy terminology
- Reading your utility bill
- Laws concerning utilities
- How to reduce your utility bill
- How to develop an energy efficiency strategy
- Tips on energy improvement opportunities
